Club & Association News
From the Presidents Desk

Welcome to a new year, from my chats with some members we may have new places to visit, will have new members to welcome and of course stories to tell around the campfire .The Beachport trip over the last days of January went very well with all enjoying the action with some having challenges, others learning how to overcome these challenges. I look forward to listening and learning from you - the members of this club.

Ray Collyer, Club President.

Editor's Notes (newslettereditor@4wdadventurers.org)

There is a lot of information on upcoming events from Four Wheel Drive SA in the newsletter. There is the Caravan & Camping and outdoor show in February (volunteers needed), the Ngarkat Working Bee in March and the Four Wheel Drive SA AGM also in March. All of these events are well detailed via the 4WD Matters Info Briefs and Club Flyers that are included in the newsletter. Also my thanks to Baz Bourne for the Beachport trip photos.

2012 Caravan & Camping and Outdoor Adventure Show
Wed 22nd - Sun 26th February 2012 Adelaide Showgrounds

FWDSA Will Be There With Displays and Demonstrations - You Be There Too!

We Need Staffers-Please Help

FWDSA invites clubs to nominate 2-3 members to staff our display at the coming show. 28 Staffers are required to cover the following shifts:-

10.00am-2.15pm & 1.45pm-6.00pm
(includes free entry and 30min overlap)

Wed - Fri 2 per shift : Sat & Sun 4 per shift.

Please wear your club clobber (or civvies) so that you reflect the type of person the public will meet when they go to clubs.

(FWDSA Executive will not be included as they are already doing enough for our movement.)

When we have all the offers in we can allocate shifts. Of course we can't guarantee a shift, but hopefully we will get enough nominees - so far 11 have volunteered.

Please reply to Staff Co-ordinator John Cullen:
johncullen@remax.com.au

Nominations should include contact details ie email & phone number, and the range of days and times they would like to work.

Please reply no later than Feb 1

Club Discount Tickets

Concession Tickets will not be posted out to clubs for this show.

Instead, actual Tickets will need to be purchased online on Caravan & Camping Industries Assoc. website - as has been available to the public at previous shows.

In this new system, FWDSA Club Members will be provided with a promotional code to purchase the Tickets at a Discount Rate.

The number of tickets will be capped at 600 (which was the FWDSA usage at the last show).

As part of the scheme the CCIASA will collect information to determine which clubs are purchasing tickets.

FWDSA WILL ADVISE CLUBS WHEN FULL DETAILS ARE KNOWN.

Club Brochures

Club Members run the FWDSA Display Site to promote all Clubs - Your Club Too!!!!

Ngarkat Conservation Park Interclub Working Bee
16th, 17th, 18th March 2012

A co-operative activity with
Government of South Australia
Department of Environment and Natural Resources

Ngarkat Working Bee 2012
Due to activity overload in April 2012, the next Ngarkat Interclub Working Bee will be on 16th-18th March 2012.

Border Track Committee - New Directors - Same Direction
After many years of highly successful leadership of Border Track Committee, Sue Linnell (Mitsubishi Club) has passed over the reins to new Chairman Peter Harper (Toyota/Gawler and Districts Clubs) and Darryl McManus (4WD Adventurers Club).

Peter and Darryl have been busy with the handover from Sue, and continuing with the same successful formula planning their first Interclub Working Bee.

Grants for Ngarkat Projects
Getting out of the starting blocks quickly, Chairman Peter Harper successfully applied for a Volunteer Support grant.

A cheque for \$4710 was recently received from the SA Govt. Minister for Environment and Conservation Paul Caica with his thanks for supporting the environment as a volunteer for the DENR. The grant was for the following projects,

Chain Grader Improvements.....\$3255
Banksia Seed Distribution.....\$1455

Less Border Track Damage
Recently Peter and Darryl met Rebecca Pudney Senior Ranger Dept. of Environment and Natural Resources (DENR) at Ngarkat.

They reviewed the various tracks and noted that the one way section of the Border Track was in very good condition after its year of use. However 30 sites were recognised where useful remediation work could be done in the 2012 working bee.

Activities will include:

- Repairs to existing wire and poly pipe barriers
- Construction of new barriers
- Filling selected track sections with gravel
- Trimming overgrowing shrubs

Meet at Pine Hut Soak campsite
Set up camp Fri 16th afternoon / evening OR arrive Sat 17th by 9:00 am.

Directions: From Taillem Bend, follow the Mallee Highway; 5km west of Pinnaroo turn right on to Rosy Pine Lane (Ngarkat Park sign at this point, see RAA map 'Upper South East ref.J2); continue south for approximately 17 km. The campsite is located just inside the Park entrance.

Comms: UHF Channel 16 :
Satellite phone: Emergencies only; incoming/outgoing calls (Peter) 014 715 3114; (Darryl) 0424 212 534
Camping: Camper trailers and caravans can be accommodated. It has one very good long drop but you need to bring everything else (water, food, shelter)

Please note that 16th-18th March will still be in fireban time so the "camp fire" will need to be artificial (Gas Stove will be OK unless Total Fire Ban in place)

Equipment to bring:
Box Trailers: some would be useful (we have a few tonnes of materials to move)
Tools - post hole digging tools, pruners, loppers, bow saw, handsaw, crowbar, shovel, rake, hand tools, etc
Personal - working gloves, good footwear, drinking water, sun protection (hat, long sleeves, long pants, sun screen). **Bring high visibility vests or clothing and possibly share them with your fellow workers.**

FOUR WHEEL DRIVE AUSTRALIA

(This information from the FWDA website at <http://www.anfwdc.asn.au> - Ed).

Four Wheel Drive Australia is our trademark which we have held for the past eleven years. From September 2009 this is the way we are promoting our organisation and the legitimate recreation of four wheeling in all states and territories. The member associations of the Australian National Four Wheel Drive Council have all taken up our distinctive logo which says it all for recreational four wheel driving in Australia; camping under the Southern Cross, access to our mountains and plains and using our 4WDs to travel to all parts of Australia.

FWDA is the complete image of our recreation and the incorporated body is the peak recreational 4WD lobby group in Australia. Its membership is comprised of the 4WD Associations in each State and the Northern Territory.

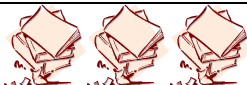

FWDA activities are based on the premise that recreational four wheel driving is a legitimate activity, and people have the right to own and use their vehicle for legitimate lifestyle and family activities. This premise is supported by policies that are based on factual evidence.

FWDA acts as your voice to keep 4x4 tracks open so that we can continue enjoying four wheeling in the great outdoors. Through our united efforts, the opinions and beliefs of four wheel drive enthusiasts are heard by land management agencies and by our elected officials. The more of us who care enough to join us, the stronger our voice becomes.

You are invited to become a member of your local four wheel drive club and then by affiliation, your state and national four wheel drive associations. Your membership provides you with priceless benefits of friendship and camaraderie. It helps protect your rights for driving off the bitumen.

Did you know that?

- There are over 300 affiliated 4WD clubs in Australia. We encourage you to become a member of your local four wheel drive club and have you say through our state and national four wheel drive associations. To find out more simply use our LINKS (<http://www.anfwdc.asn.au/links.php>) drop down to contact your nearest association who will help you find a club near your location.

Recent Trip Reports (Pre-February 2012)

The Otways - January 2012

The Otways are located about 8/9 hours from Adelaide and 2 hours west of Melbourne, in southern Victoria, north of Apollo Bay.

The 103 km² park was declared in 2004 when Otway National Park, Angahook-Lorne State Park, Carlisle State Park, [Melba Gully State Park](#), areas of the Otway State Forest and a number of Crown Land reserves were combined into one park.

Pete and I along with Don and Janice Botten left Adelaide on the 10th January via Penola where we stayed overnight at Wannan Falls. The falls are between Coleraine and Hamilton and provide an excellent free camping area. The night was very cold and rainy so we made good use of the stored firewood and double covered fireplace. There are enviro-toilets also available.

Next day we arrived in Colac which nestles alongside the largest fresh water lake in Victoria. Our destination was the Colac Central Caravan Park which is their show-grounds. \$14 unpowered, \$20 powered per night with very clean facilities, camp kitchen/laundry combination and at \$1 per washing machine and \$1 for a half hour

dryer cycle it was very good value. There is a large central oval and dogs are welcome. We virtually had the whole place to ourselves with plenty of room to spread out. We even had a classic car rally and drive in on the oval Friday night free of charge.

Don and Pete spent the next 3 days exploring the tracks availability and suitability. We discovered many of our previous track routes had been either permanently closed, become private property so no access, were being logged or bridges were down (there were 15 bridges to be up graded in the area). "Not happy Jan!" Some of the tracks had become so overgrown we ended up with new pin stripes down the sides of the car.

By the time all (Mike Barham and Lachlan, David and Anne Phillis, Rob and John Stennett, Michael and Sue Cox) had arrived it was Sunday 15th and we had sussed out a few muddy, some sandy, some steep and some scenic routes. Luckily this trip we had no car damage due to the real challenging tracks being off limits but winching was still required by a few of us! The club's motto of supporting each other was very evident again and many a good hearted laugh was heard and we had to concede the Nissan's won

the day!

The scenery of the Otway National Park, State Forests and coastal regions is varied and picturesque but oh the cold nights! As Mike found out you need to pack for the 4 seasons or visit Dimmeys for jumpers.

We all left on various days leaving Michael and Sue to enjoy a few more days in Victoria in the comfort of their van.

More information and photos of the area to be presented at the club oral trip report time.

A safe, scenic and at times thrilling trip was had, especially for Sue who at one stage had a very colourful description of Michael's driving as he tried to avoid getting bogged or going over the edge along Morris Track. A slippery trip was enjoyed by David and Anne whom we named a track after as he seemed to enjoy getting bogged along it.

I have left an information package of the area with the Trip Coordinator for those who'd like to visit the area.

Thank-you to all participants, Jean and Peter Searle.

Four Wheel Drive SA will have a stand of 80 square metres or so at the February 2012 Caravan and Camping Show.

In addition 3 clubs are being given the opportunity to have a 10 square metre stand of their own - these clubs would also need to provide staff for the Four Wheel Drive SA stand as well as their own.

Four Wheel Drive SA will be relying on our club and many others to staff the stand, so please make time in your busy schedule.

				In the latter half of 2012 I shall be dusting off my long service leave. I hope to have the opportunity to undertake a few trips into the outback of SA. Trip durations would be of the order of 7 to 10 days. One of the trips I would like to undertake is the Anne Beadell highway including the Emu Atom Bomb (Totem) sites. At this stage dates and timing is very flexible. If you would like to participate in these trips let me know and we can organise suitable dates. If you have any thoughts on other possible Outback SA trips let me know and we can work out a suitable trip schedule to suit.
